

The Ultimate Moving Checklist for 2026

Created by Movana – Your Smart Moving Companion

8–12 Weeks Before Move

- Declutter and decide what to keep, donate, or sell.
- Set your moving budget and research movers.
- Download Movana and start your virtual home inventory to organize your items early.

4-6 Weeks Before Move

- Use Movana to send your digital inventory to movers for accurate quotes.
- Book your mover or truck and confirm the date.
- Start packing non-essential items; label boxes by room.
- Notify utilities, postal services, and subscriptions of your move.

2-3 Weeks Before Move

- Continue packing and finalize the floor plan for your new home.
- Confirm parking permits or elevator reservations if needed.

Moving Week & Day

- Pack an 'Open First' box with essentials like documents, chargers, and toiletries.
- Double-check all rooms before movers arrive.
- Stay connected with your movers using Movana's move-day features.
- Update your address and settle into your new space.

Post-Move (First 1-2 Weeks)

- Unpack room by room starting with essentials.
- Review your Movana inventory and note any damages or missing items.

Download the Movana app today to make your 2026 move faster, smarter, and stress-free.
